Coldwell Banker Gruppo Bodini presents: Torre Campari
Design, architecture and technology: the most advanced expression of research aimed at offering quality living characterized by prestige and exclusivity a stone's throw from Milan.
Distributed on two levels on the ninth and tenth floors, with a total area of 200 m2.
The property is delivered newly renovated with fine finishes and with the possibility of a double garage.
The central heating system works with a heat pump, to power the underfloor system in each individual unit, created at low temperature with underfloor radiant panels. The most total security and privacy are guaranteed by the video-monitored entrances and the elevators designed to guarantee exclusive and reserved access to the floors.
You will be breathless from the 36 meters of height that overlook the greenery of the gardens that cover the Campari headquarters and the 6000 meter park.
