Technologically, the villa is equipped with the latest home automation systems, including air conditioning, underfloor heating, an audio system in every room, an alarm system, and video surveillance.

The unique experience of Villa Infinita lies in the seamless blend of indoor and outdoor spaces, thanks to the threshold-free sliding glass doors, which allow for effortless movement between the interior and exterior. Guests can choose between basking in the sun or relaxing

in the shade, whether on the poolside loungers or on the expansive covered terraces, which invite relaxation and enjoyment. The infinity pool, with a glass wall facing the panoramic side, a shallow lounge area for evening aperitifs in the sun, and a waterfall, immerses every guest in a wellness oasis.

For an exclusive experience, head up to the Belvedere with its infinity-edge hot tub and enjoy the sunset over the sea, with views spanning from the Maddalena archipelago to Corsica and the white chalk cliffs of Bonifacio. At night, a sea of sparkling lights illuminates the coastal towns, and there's a good chance you'll witness one of the many fireworks displays.
