Castiglione delle Stiviere is a dynamic town in the Alto Mantovano area, strategically located between the provinces of Mantua, Brescia and Verona. With a population of over 23,000 and an even larger catchment area thanks to its proximity to Desenzano del Garda and Lake Garda, it represents an important commercial and service hub for the entire area.

The presence of numerous productive activities, business centers and important school and health services make it a lively place all year round, with a varied and loyal clientele. The well-structured urban fabric and the continuous growth of the residential sector guarantee excellent potential for the development of new activities, especially in central and high-traffic areas.

Furthermore, the proximity to the Desenzano del Garda motorway exit (A4 Milan-Venice) and the main roads ensures easy accessibility and rapid connections with the main cities of northern Italy.
