Ref. CBI112-2916-301321

238 sq.m | Bathrooms: 3 | Bedrooms: 4 | Rooms: 5

A luxury retreat with an amazing view on the Milan's skyline

In the lively and well-served Pasteur area, inside an elegant building with concierge, we offer an extraordinary housing solution on two levels, with characteristics that are very rare to find on the Milan's market.

The property, is the result of a complete and high-level renovation. The penthouse extends over 238 square meters between the 8th floor and 9th. The internal distribution is modern, fluid and extremely functional, with a clear separation between the living area and the sleeping area.

The heart of the house is undoubtedly the wonderful 180 m2 terrace, which surrounds the living area offering a spectacular 360°, with a privileged look at the skyscrapers of Porta Nuova. A perfect place for those who love to entertain, experience the outdoors in the city, or simply enjoy the quiet and beauty suspended between the sky and the skyline.

Inside we find a large living area, a kitchen separate from the living room, four bedrooms and three bathrooms, all finely furnished and equipped with every comfort.

Gruppo Bodini

The elegance, the natural light, the large volumes and the exclusivity of the view make this property ideal for a demanding clientele, looking for a home that combines prestige, functionality and uniqueness.
