Villa for Sale in Salò
€ 5.500.000
Ref. CBI170-2700-274

578 sq.m | Bathrooms: 7 | Bedrooms: 7 | Rooms: 9

Among the most refined hills of Salò, overlooking with grace and power the sparkling waters of Lake Garda, stands an extraordinary villa, a true dream home capable of blending timeless luxury with the purest natural beauty. In this corner of paradise, where the green merges with the blue of the lake and the silence is broken only by the singing of birds and the rustling of leaves, the villa opens like an architectural poem, intended for those who desire the best, in every detail.
The property is spread over multiple levels, enhancing every perspective with spectacular views. Two elegant porticos – one on the ground floor and one in the basement – welcome guests into airy spaces, perfect for relaxing or entertaining, while the panoramic terraces, one on the ground floor and one on the first floor, offer quiet corners from which to admire the lake in all its majesty. Inside, the villa hosts eight bedrooms divided between refined master suites, guest rooms and areas dedicated to staff, all designed to guarantee privacy, comfort and exclusivity. The seven bathrooms that accompany the living spaces are the result of a careful study of materials and finishes, to offer a daily experience of well-being and refinement.
The green heart of the villa is an enchanting garden, tastefully cared for and equipped with a gazebo with a dining table, directly overlooking the lake: a place where every meal becomes a ritual immersed in beauty. To make everything even more extraordinary, a 4 x 8 meter infinity pool dominates the landscape, creating a visual effect in which the water of the pool seems to merge with that of the lake, giving a postcard-like view.
Three balconies complete the architectural design with privileged views of the surrounding nature, while the interior spaces offer the maximum in terms of functionality and style: five large walk-in closets, a private study, a private gym for daily body care, a separate laundry room and a splendid glass sauna, designed for moments of pure relaxation. The property also features a quadruple garage, perfect for hosting multiple vehicles in complete safety.

Salò is one of the most exclusive pearls of Lake Garda, with its elegant center, refined boutiques, gourmet restaurants and a quality of life among the highest in Europe. Living in this villa does not only mean buying a prestigious property, but choosing a refined lifestyle, made of harmony, silence, beauty and distinction.
This home is not simply a house: it is an experience to be lived, a panorama to be embraced every day, an authentic luxury that manifests itself in every glimpse, in every detail, in every emotion.
