Prestigious representative apartment in a historic building in the heart of Turin
Inside one of the historic and representative buildings of Turin, we offer for sale an exclusive apartment of about 800 square meters arranged entirely on a single level. The property, unique in its kind, has an independent entrance via a spectacular private staircase, in addition to other service entrances served by a lift.
The interiors are distinguished by their exceptional spaciousness and the architectural value of the rooms, embellished by frescoed ceilings over 6 meters high, which give breath and charm to each space.
The distribution includes:
a large reception room, ideal for receptions and events, a dining room with period fireplace, a kitchen with a convenient pantry, 5 bedrooms, all spacious and bright, 3 walk-in closets, a study area and one dedicated to relaxation / reading / painting, 6 bathrooms, designed to offer maximum comfort, a functional laundry room, 5 balconies and 2 cellars. The property is characterized by considerable brightness thanks to the favorable exposure and stands out for the tranquility and silence of the rooms, despite the very central location.
Great potential for customization: the property lends itself easily to being divided into 2 or 3 independent units, with simple and inexpensive interventions, ideal both for prestigious residential use and for investment or high-level hospitality business.
