Exclusive detached villa in Sal¡, overlooking Lake Garda

Nestled among the most elegant hills of Sal¡, with a view that encompasses the sparkling waters of Lake Garda, stands an extraordinary villa. A dream home, where timeless luxury meets the authentic beauty of nature.
In this peaceful corner, where the greenery blends with the blue of the lake and the silence is broken only by the song of birds and the rustling of leaves, the villa reveals itself as an architectural poem. Designed for those who desire excellence in every detail.
Spread across multiple levels, the property offers breathtaking views from every angle. Two elegant porticos-on the ground floor and in the basement-offer spacious, airy spaces for relaxing or sharing special moments. The panoramic terraces, on the ground and first floors, offer breathtaking views of the lake.
Inside, the villa boasts eight bedrooms: master suites, guest rooms, and staff quarters, each space designed for comfort, privacy, and prestige. The seven bathrooms, finished with premium materials, transform every daily gesture into a ritual of well-being.
The green heart of the house is a meticulously maintained garden, embellished with a gazebo overlooking the lake: a place where dining becomes an immersive experience of beauty. The scenic infinity pool, perfectly integrated into the landscape, seems to merge with the lake water in a surprising visual harmony.
Three balconies offer further privileged views of nature. The interiors combine elegance and functionality: five spacious walk-in closets, a private study, a private gym, a separate laundry room, and a splendid panoramic glass sauna for moments of pure relaxation.
The basement features a second kitchen and additional bedrooms, ideal for creating a separate apartment. Completing the property is a large quadruple garage, perfect for safely storing multiple vehicles.
