Villa Bigallo - The Legacy of Monte Pilli
A chapter of history, written in modern luxury
Just seven kilometers from the heart of Florence, on a majestic hill that once housed the ancient Castle of Monte Pilli, stands a property without equal: Villa Bigallo. This is not just a restoration; it is a rebirth. A project of the highest quality that has revived the spirit of a medieval fortress, transforming it into a 21st-century stately home, where history blends with uncompromising contemporary elegance.
Dominating history, enjoying beauty
Here, where the noble lords of yesteryear watched over the communication routes, today one of the most spectacular viewpoints over the City of the Lily unfolds. From this privileged position, the view encompasses the entire historic center: the sinuous flow of the Arno with its iconic bridges, Brunelleschi's majestic dome, Palazzo Vecchio, and the Basilica of Santa Croce. In the background, the hills of Fiesole and the Apennines complete a picture that is a living work of art.
A restoration that honors the past
The meticulously restored manor house is a masterpiece of balance. The generous proportions of the rooms, the large windows, and the impeccable details coexist in harmony with modern comforts and cutting-edge technologies, such as armored doors and windows and a private elevator. On the first floor, two splendid master suites, each with a luxurious bathroom and walk-in closet, offer a peaceful retreat, enhanced by a breathtaking panoramic terrace.
A complete estate, a world apart
The estate is set in 18 hectares of private parkland, a realm of absolute privacy that includes:
-Two independent guest houses, ideal for guests or staff.

- A private chapel, the ancient Oratory of San Martino, which echoes centuries of history and devotion, now an integral and exclusive part of the property.
- A circular swimming pool with cover, set in a lush garden.
-Ample storage space and garages.
-The possibility of a private helipad, for unparalleled connectivity.
A unique opportunity
Villa Bigallo is not simply a house; it is a piece of Tuscan history regained. It is an opportunity to own not only a residence of unparalleled refinement, but also a legacy. A place where time seems to have stood still, while offering everything that modern luxury requires.
A confidential negotiation for a priceless asset.
