In the prestigious Palazzo Loffredo, an elegant 18th-century historic residence with 16th-century origins, we offer for sale an extraordinary stately home of approximately 330 square meters, enhanced by a large private garden: an extremely rare feature for a property of this caliber in the center of Naples.
The apartment retains the authentic charm of noble Neapolitan architecture, with spacious rooms, high ceilings, dramatic volumes, and a layout that lends itself both to a prestigious private residence and a major redevelopment project.
The property has double access, a feature that increases its functionality and offers interesting customization possibilities, while maintaining the representative nature of the home.
The exclusive garden is the heart of the property: a private and highly prized space, ideal for enjoying moments of tranquility, hosting private receptions, or creating a green oasis in the heart of the city.
