The villa is distinguished by its elegant Liberty façade, featuring exposed brickwork, decorative details and friezes, arched windows and balustrades. Rich in character and instantly recognisable, its architecture blends beautifully into the landscape of the Garda hills.
Arranged over four levels, the property offers spacious, light-filled interiors in excellent condition. Wooden floors, generous windows, arches, decorative features and impressive reception spaces enhance the interiors while preserving the comfort and warmth of a home designed for everyday living.

Two kitchens and the generous distribution of space across the different levels make the villa particularly versatile, whether for a large family or for those who enjoy hosting guests.

The property extends over approximately **2,000 sqm of grounds**, with extensive green areas, mature trees and spaces dedicated to outdoor living. The private swimming pool is set within a secluded area of the garden and is conveniently connected to the villa's outdoor spaces.
The property is completed by a **dependance designed as a fully independent apartment**, ideal for guests, family members or staff, as well as a large garage accommodating several cars, additional parking areas and a cellar, also perfectly suited for wine storage.
The location offers the opportunity to enjoy **privacy and a peaceful green setting while remaining just a few minutes from Salò and the shores of Lake Garda**.
