Historic Center - Via Tasso - Just steps from the Colosseum, in an imposing late 19th-century building in excellent condition and served by a lift, lies this charming residence, which we are pleased to offer for sale. The home has recently undergone a renovation that has made the most of every space, creating a perfect layout that combines aesthetics and functionality, capable of comfortably accommodating a family of 5/6 people. The 180 m2 interior space features a welcoming entrance hall, an elegant living area divided into a living room and dining room, a wonderful eat-in kitchen, a master bedroom with double dressing room, two further double bedrooms, both with mezzanine levels, a single bedroom, and two comfortable bathrooms. The property boasts triple exposure, 3.30 m ceilings, 10 windows, pleasant views both externally and internally over the building's lush gardens, and extraordinary brightness. The renovations expertly restored frescoed ceilings, original stucco, and period cement tiles, but also included a high-quality modern steel kitchen, custom cabinetry, bookcases, ducted air conditioning, state-of-the-art windows, and cutting-edge plumbing. The appliances, included in the sale, are all Miele. The property is completed by a cellar of approximately 20 m2, which can be used to great effect. What we are proposing is a highly elegant, turnkey solution in one of the liveliest and most well-served areas of the Eternal City. Don't miss it.
